Tuition includes all books as well as fees for St. Michael-sponsored sports teams. Families are responsible for costs and fees for “co-op” sports teams, extracurricular activities, field trips, and standardized tests.

Tuition costs may be paid in one full-balance payment (by September 1, includes \$500 discount) or in two half-balance payments (due September 1 and February 1).

We strongly recommend SMHS families utilize the St. Michael Education Loan offered through St. Francis X Credit Union. This 12-month, 5.00% APR loan can be obtained at any branch in about 15 minutes. Families using the loan will qualify for the \$500 discount for full-balance payment. Call the SFXCU main office at **231.348.7690** to begin the process.
