Tuition Discounts

- A \$500 discount is offered to any family that pays for the full-year by September 1, 2024.
- A \$500 discount is offered for referring a new family to St. Michael High School.

Tuition Assistance

- Families seeking Tuition Assistance (a.k.a. Financial Aid) may apply for need-based scholarships.
- To be eligible for such scholarships, families must apply via FACTS at online.factsmgt.com/signin/4KY0T

Tuition includes all books as well as fees for St. Michael sponsored athletics teams. Families are responsible for costs and fees for “Co-op” athletics teams (hosted by other schools), certain extracurricular activities, field trips, and standardized tests.

Tuition may be paid in one full-balance payment (discounted \$500 if paid by September 1, 2024) or in two half-balance payments (due September 1 and February 1).

We strongly recommend that SMHS families avail themselves of the **St. Michael Education Loan offered through St. Francis Xavier Credit Union**. This 12-month, 5.00% APR loan is obtainable at any branch in about 15 minutes, with a tuition statement issued by the school. Families of full-time students using the loan can qualify for the \$500 discount for full-year tuition payment by September 1. Please call the SFXCU main office at 231.348.7690 to initiate the process.
